

Get Ready for the Annual
Ames Science Fair
March 21, 2019

Want to be a part of the fun?!?!?!?

If you have participated in the Science Fair in the past, please make plans to attend **TWO** of the following workshops.

If you have never participated in the Science Fair, what are you waiting for?!?!?! Please plan on attending **EACH** of the workshops listed below:

February 12th from 3pm-4pm*

February 19th from 3pm-4pm*

February 26th from 3pm-4pm*

*Students will be released out the front doors of the school at that time.

Have a conflict with the workshop days and times? Need a partner or some help on your project? Please contact Elizabeth Kos at elizabeth.b.kos@gmail.com.

Details for the Science Fair

- Participation is FREE!!!
- All 3rd, 4th and 5th Grade students are invited to participate.
- Students may work individually or in pairs.
- All students must pick up a packet at one of the workshops in order to participate.
- All students must turn in a **SIGNED** form by **March 1st** in order to participate.
- Students will have a pizza party the night of the Science Fair and will be able to present their experiments to our guest judges.
