

Earth Week: April 22-26, 2019

Monday April 22nd begins Earth Week. Help show a little love to our planet by supporting the following activities:

At School: Collections to Donate

Let's keep these items out of the landfill and put them to good use again. All week (4/22-4/26) we will be collecting at Ames:

1. **Shoes:** Bring in children or adult shoes in good condition, which we will be donating to Sister House (www.sisterhousechicago.org). We are looking for "gently worn, new or used shoes" only.
2. **Glasses:** Bring in your old glasses and sunglasses and we will donate to the Lyons Club for reuse (www.new-eyes.org/join-the-vision)

At Home: Earth Week Points

Score points for the Planet. Check out the Earth Friendly Acts table below. Mark an "X" each day you complete one of the acts and get a point with for each "X". The class with the most points per student earns pizza or special snack! **Please return by Friday, April 26.**

	Monday	Tuesday	Wednesday	Thursday
Hike or Bike to School				
Turn off lights when not using				
Pack a zero-waste lunch				
Turn off water when not using				
Use the backside of and/or recycle used paper				
Use a reusable water bottle
