

Join the PTA!

The Ames PTA has a strong history of offering valuable enrichment programs for our students and school community. The PTA sponsors these and many other activities:

- Class field trips
- The Science Fair
- Artist in Residence Week
- Family Heritage Night
- The Talent Show

We work with the Ames staff to ensure our kids have the resources and materials they need. We raise money through fun events and relevant sales including Charleston Wrap, Spirit Wear, Book Fairs, Box Tops, Fun Lunch and more. *This year **we'll host our biennial Fall Auction** to support cultural arts efforts. Save the Date information coming soon for this fun event.*

We need parent volunteers like you to make our PTA work! We encourage you to join today. No matter your schedule, we can always use help. It is easy to get involved.
